### SYDNEY NEWS

It is with sadness we report the death last year of JOHN CUTLER (1953-1958). He was active in many aspects of school life. His most significant contribution was at shooting at which he represented the school from 1956 to 1958, gaining Full Colours each year.

Sydney Vice-Chairman, ALEC BAIN, is active again after his recent illness.

DAVID ISRAEL was married recently - you may have seen his photograph in the newspaper. PAUL CHAPMAN was best man.

PETER TAYLOR, following in father's footsteps, has been admitted to the bar.

ROBERT (NUGGETT) ADAMS, who works in the C.S.R. was married on 14th April in Sydney to the daughter of his Company's manager at Macknade. His supporters at the function included his brother Richard (Bob) best man, Mark Chapman, Col. Galbraith, John Hodgens and Richard Black.

IAN (SPEEDY) ERRATT, who is with Minter Simpson & Co., qualified last year and is now an LL.B. He looks down on life in the city - being on the 24th floor of the new A.N.Z. bank building in Hunter Street.

His young brother RON (Prefect 1965) is now at St. Paul's College, 'attacking the law'.

JOHN SWAIN has left the M.L.C. to work in Melbourne. He leaves behind him at M.L.C. MARTIN TAUBER and COL. GALBRAITH.

DAVID MOORE is engaged and GEOFF GARVIN has bought a ring too. The finger to go with it belongs to Val Lemon.

JACK SIPPE has joined the family's clan of doctors.

ROBERT DOWNEY is starting the Solicitors Admission Board course. He is not married.

HARRY PIDGEON, also married, is working with J. Walter Thompson & Co., Advertising Agency, where JOHN MASTERS can be found.

PETER MACNAMARA was married last November and is living at Lane Cove. KEN CARVER, DOUG HAMILTON, JIM FORSYTH, STUART WHITE and WARRICK LEWARNE were at the wedding.

JOHN LENNOX's increasing family has forced him to leave his flat at Bellevue Hill and to buy a house at Dover Heights. Captain of the second XI at school, he has been playing cricket regularly ever since.

WARICK LEWARNE has been admitted into the partnership of J.W. Douglass, Gilder & Co., Chartered Accountants.

JIM and MARGARET SOMERVILLE had their third son last year. Jim won the G.P.S. Open 100 yards at school and he now seems intent on raising his own relay team.

JOHN BROMLEY is Senior Master at Pittwater House Preparatory School at Collaroy.

#### SYDNEY CRICKET MATCH AGAINST SCHOOL FIRST XI

We were all disappointed when at the last moment rain washed out the cricket match which we had arranged for December last year.

The Committee's enthusiasm has not been dampened, however, and another match will be organised at the first possible opportunity.
