

## TAS MEDICAL CENTRE INFORMATION

**Staff:** Jenny Murray RN (Senior School Nurse)  
Marilyn Miller RN  
Jenny Gowan RN

**Opening Hours:**

Monday to Friday	7:00am to 7:00pm
Saturday	7:30am to 3:30pm and 5:00pm to 7:00pm
Sunday	9.00am to 10am and 5:00pm to 7:00pm

One of our Nurses is always “on call” outside of these hours. If a student becomes unwell, they should contact the person on duty in their House who will in turn, contact the Nurse on duty.

TAS School Doctor, Dr Luke Bookallil visits the Medical Centre from 8:00am to 9:00am Monday, Wednesday and Fridays.

If your son needs to see the Doctor, the Nurse will arrange for him to be seen by Dr Bookallil when he attends the school Medical Centre. The Nurse will then contact you following the consultation to report back.

TAS uses Hannon’s Mount View Pharmacy for all pharmacy needs for our boarding students. These items are put on an account and included with the students school account. We also have a small number of items eg cough lozenges, lip balm etc in stock, which can be sold to students. If a student purchases one of these items, the cost will be placed on the students school account for payment.

The Nurse is happy to organise other appointments for Dentists, Orthodontists, physios etc, at your request.

Students in Years 6, 7 and 8 will be taken to these appointments by our Medical Centre staff (where possible).

Students from Year 8 upwards will usually be sent on a return journey in a taxi and the cost of this fare will be placed on the school account of the student concerned.

**Students are NOT to keep ANY medication (including panadol etc) in the boarding house unless authorised by the Senior Nurse.**

**The Medical Centre phone number is 0428 152 291. This number will get the Nurse “on duty”. Unless the matter is urgent, please phone within opening hours.**
