Welcome back to all after what I hope has been a refreshing and enjoyable break.

A special welcome is due to the 10 new students who join us this term and the two exchange students who will be boarding with us in Croft and Tyrrell Houses. This is an unusual, but healthy and welcome number of new enrolments late in the year and I wish each of them well as they settle into life in their new school.

**Staffing Matters**

I am sure that all in the TAS family will join in offering congratulations to Tim Wheaton and Nicci Hilton on their marriage on the first weekend of the holidays and also to Alex and Angus Murray on the birth of Edward Andrew William Murray who was born on the 25th of September. These are new starts for both of these TAS teaching families and we wish them well now and for the years ahead.

We welcome two new staff members to the School this term. Mr Edward Morgan joins the Middle School, English and HSIE teaching staff from the boarding staff of Riverview as he replaces Mrs Murray during her maternity leave and Ms Stephanie Toogood joins us in a teachers’ aide role specifically to support our two new overseas boys. Ms Toogood will be seen by other students as well as she completes her teaching practicum placement in Year 6 this term.

In addition to Mr Hunt who continues on his long service leave, Mr Brown takes long service leave this term prior to his retirement at the end of the year and Mr Nexo and Ms Bromwich also take long service leave and I wish each of them well in their time away. Mr Nexo will be replaced by Mr Todd Currell who will be known to our senior boarders and Mrs Tabitha Dowse will be with Year 1.

Parents and students should be aware that our Deputy Headmaster, Mr Jones, will be away for the first two weeks of term on long service leave. Mrs Wark and Mr Buntine will cover the bulk of Mr Jones’ responsibilities for this first fortnight and I thank them for stepping into those roles.

**Holiday Activities**

As seems to be the pattern each year in this particular holiday break, there has been significant school activity involving a large number of our students in Middle and Senior School. Trips away have included the Christian Service trips to Fiji for Year 8 and Thailand for senior students, the language and humanities trip to China and Japan, the cricket development tour to Sydney and the International Round Square Conference to Turkey and Jordan which I am currently with. At home, the activity included the Craig McDermott cricket clinic and a very well attended HSC study camp. I have heard nothing but good reports from each of these activities and I look forward to hearing much more about most of them in assembly and TAS Talks through the first part of this term.

**Exams**

Whilst school has only just returned, it is time for all our students in Years 6 to 10 to be focusing on preparation for upcoming exams. Middle School will sit their end of year exams in Week 3 and Years 9 and 10 in Week 4. It is expected that all those students will be engaged in purposeful study in the lead-up to those exams. This is an important opportunity to be developing the habits and skills that will be needed in senior years and I encourage parents to support their children in that work.

For our outgoing Year 12 students, the pressure is considerably greater as HSC exams begin next Tuesday and I wish them every success in their final preparations.
Agape: 1 Corinthians 13

Simplicity is good. However, sometimes it leads to confusion. Take our school lesson for a moment; there is a key word that is repeated over and over throughout the passage. Ancient Greek, the language that the New Testament was first written, there are four words for our one word. The word of course is love. So let’s think this through.

One of the Greek words for love is Eros. This is the word we get our word erotica from, it refers to sexual attraction. So if we understand the school lesson to be saying ‘If I have faith that can move mountains, but have not sexual attraction, I am nothing’ – it doesn’t seem to quite fit, that sort of reading would get pretty awkward.

The two other terms for love might work - Philia is the Greek word for brotherly love, or perhaps the love you might have for a mate, or comrade. Storge is the love one has for their family – it’s the ‘blood is thicker than water’ sort of love.

Then there is Agape, this is a very high order of love. This is noble love. This is the Greek word used in the school lesson. It describes the selfless, unconditional, service for others, regardless of who they are sort of love. It is the giving of one's self with no expectation of returned favours love.

COUNSELLOR’S CORNER, ROB HADFIELD

Do you remember small moments of personal glory? Perhaps they don’t come very often so that it is easy to remember them. It’s a good feeling to remember such moments. However, if we linger too long with past moments, we may miss the challenges that are present to us here and now, new ones that require our focus and engagement.

Over the weekend Souths won the NRL final after 43 years. I am sure the moments will be re-lived many times. Heroes will become larger than life itself in the stories that are told. Humans are story-tellers and supporters at the match will enjoy the re-telling. Seize and enjoy the moment!!! However, in five months time a new season begins and supporters will be hoping that the team re-focuses its attention on the job at hand then. Remembering and then re-focusing on present challenges are a constant rhythm. Without memory and the stories of the past, we are flat, cardboard cut-outs. With fixation on, or all-consuming preoccupation with, the past, we are absent from what is before us to do, here and now. We must author new stories. Novelists, successful with their first book, often find their second book harder to write. To re-focus and re-engage imaginatively with the new task, can be difficult.

Soon Year 12 will be doing their exams – hopefully a small moment of personal glory!!! Once it is over, the challenge of taking hold of life beyond school will begin. Maintaining friendships, reunions, or belonging to the Old Boys, are ways they will keep the past alive. Taking time to leave the past behind may involve taking a Gap year, a year to orientate oneself to what is next. But what is next will soon become the focus. That is the nature of things – remembering matters, so too, does present-centred engagement.

### STUDENT TRAVEL

**Mini Bus Service for Boarder Weekend**

A service is being offered to run this term on Friday 7 November and return on Sunday 9 November. Please submit bookings via email to travel@as.edu.au
2014 Japanese and HSIE – Japan and China Study Tour

During the Spring Holidays, 14 students and two teachers traveled to China and Japan to improve their Language skills and to experience the culture of two important Asian countries. It was an amazing experience for the students as they were exposed to many historical sites and participated in a wide range of activities.

Our first stop was Beijing where we visited Tiananmen Square, Forbidden City, The Great Wall, the Olympic Site and many other places. The students were impressed by the size and the history of these places. They also loved the food.

After a short flight we arrived in Tokyo for the Japan leg of the trip. We stayed in a traditional Ryokan with the tatami floor and slept on a futon. Despite Tokyo being one of the largest cities in the world, we were able to navigate the subway system and visited many different areas including Studio Ghibli, Asakusa, Akihabara etc.

The next day we caught our first Shinkansen (bullet train) traveling at speeds up to 300km/h. It was very smooth, quiet and always on time. Next stop was Kyoto visiting the famous Temples and Shines and the highlight for some was the Karaoke night and of course the food.

We also visited the moving A-bomb museum in Hiroshima and stayed overnight on the island, Miyajima, famous for the red Torii Gate.

We also stayed one night at Kagoshima and watched the volcano, Sakurajima erupt in the distance while we soaked our weary feet in an outside hot spring as the sun was setting. Heaven.

Our final stop was to our Sister School, Meitoku. This school is one of the strongest sporting schools in Japan. It has produced World famous baseballers, sumo wrestlers and golfers. We said goodbye to three members of our group, Jacob Hunt, Hugh Morton and Connor Cathcart, as they are on exchange at Meitoku for the next two months.

It was an unforgettable trip and I am sure the students language skills have improved and they are more culturally aware of Asia. It was a very successful trip and I look forward to taking Year 9 and 10 Japanese students in 2016.
LEADERSHIP, SERVICE AND ADVENTURE

Fiji Service trip 2014

After two terms of preparation, a very excited group of 14 boys and 13 girls from NEGS and PLC embarked upon their Fiji adventure on 19 September. This is fundamentally a service trip (although we do manage to fit a whole lot more in as well) and our main job was to remove and replace floor tiles in two of the three dorms. This work progressed very quickly and professionally. We also managed to carry out a bathroom renovation, repair a bunch of push bikes and more. As always, the best part of this trip is the development of some special friendships with the kids at St Christopher’s. Our photos tell a thousand words!

A special thank you to all of the TAS community who supported our call for new sheets and towels for the Home. There were so many that they had to be spread between all of our luggage!

Ms Fiona Taber
Trip coordinator 2014

Boys, you will discover;

* How to live with your parents without losing your mind
* How to soar like an eagle when you feel like a goose
* The power of making things happen rather than letting things happen
* How to make the best out of who you are.
Hawkesbury Canoe Classic

With less than three weeks to go before the start of the Hawkesbury Canoe Classic, it is time to ensure all paddlers are raising money for the event. There are separate entry fees and fund raising contributions so all money raised goes directly to the charities involved. The main charity that the event raises money for is the Arrow Bone Marrow Foundation.

We encourage all paddlers to raise more than the minimum amount of $100 before the race. This can be done by selling raffle tickets, collecting donations and providing receipts for these or via the online paddler page where donations can be made electronically.

Anyone who does not raise the $100 (students) or $200 (adults) will need to pay this themselves at the registration for the race.

All paddlers who are intending on doing the Hawkesbury Canoe Classic need to register and pay before 10 October or else there is an additional $200 late fee.

The Grafton paddle is this weekend. Paddlers will leave Q-store at 10am Saturday and return at approximately 4pm Sunday. People who are planning on land crewing for a paddler during the HCC are welcome to come along to Grafton to see what is involved. Cabins have been booked for the Saturday night. Bring bedding and students should bring a swag. All boats will need a head torch or other light, space blanket, whistle, food and water for the paddle.

Paddlers will be paddling 30km from 4pm Saturday afternoon through to 8pm. They will then paddle a further 25km on the Sunday morning before packing up and returning to school after lunch.

Food for Saturday dinner and Sunday breakfast will be catered for. You will need money for lunch Saturday and Sunday.

Bring food and at least 2L of water for the paddle as well. Bananas, muesli bars, lollies etc are good to eat on the paddle.

We have booked 10 cabins for Friday 24 October at Avina Van Village. We need to confirm names and numbers for this so please email me twheaton@as.edu.au with a list of people intending on staying the night there so we can pass this onto the van park owners.

We will have updated information on Team App with a list of names for the Hawkesbury accommodation and for Grafton, so please advise if there are any errors in the lists.

Mr Tim Wheaton

TAS success at GPS Gold Challenge

There were plenty of tall stories of past sporting glories, friendly rivalry with old foes, and fortunately no torn hamstrings, when dozens of members of the TAS community put their bodies on the line for the GPS Gold Challenge on 3-4 October.

First staged in 1999 and now held every two years as a major fundraiser for the Red Kite Foundation, the event brings together almost 700 GPS Old Boys who have turned, or are about to turn, 50, for competition in a range of sporting disciplines. This year’s TAS connection included 34 Old Boys from the 1981 and 1982 cohorts (some of whom are current TAS dads), as well as several other current and past TAS fathers who attended other GPS schools.

At the shooting held at King’s on Friday, TAS ‘81 narrowly came second, and the TAS ’82 team, came third. Several also took part in golf, held at Ryde-Parramatta Golf Club.

Then on the Saturday morning at St Ignatius College Riverview, many took to the tennis courts for an exhausting hit-out, before it was all legs on deck for touch football and athletics. (There was also basketball, indoor cricket and rowing competitions, in which TAS didn’t compete). TAS loaned shooters to Scots and swimmers to King’s, all in the spirit of the event. However the highlight was undoubtedly that evening at the dinner for more than 650, when the TAS ‘81 team were presented with the David Hutchison Trophy for winning the touch rugby! The (old) TAS warcry sang (!) out proudly from Riverview’s Ramsay Hall. TAS also came third in the debating - more like a public speaking competition, in which one representative from each school had to speak to the topic ‘That GPS Schools should be Coeducational’ (High, Kings, Shore, Scots and TAS were all tasked with putting the case for the Affirmative).

It was the largest yet representation at the event from TAS, which had a higher participation rate proportionate to the cohort, than any other school. It was also the best yet result for TAS in the competition. The event was a wonderful opportunity to catch up with schoolmates and peers from other schools, as well as flying the school flag in the GPS arena.

Congratulations and many thanks to Old Boys Nick Tuit and David Thompson who rallied the 1981 leavers, and Duncan McDonald (also a current parent) for herding up the ‘82s. With any luck, the ‘83 and ‘84 Old Boys will be wanting to make it an even better year for TAS, at the GPS Gold Challenge in 2016!
Welcome back to Term 4 after what I hope was a happy and restful break for students and families alike.

**Once Upon A Mattress**

This term sees the commencement of rehearsals for our 2015 school production Once Upon a Mattress, for our senior students. I look forward to seeing as many of our young men trying out for parts in this entertaining musical as possible. Please see our Head of Creative Arts Mr Andrew O’Connell for further details about this exciting opportunity.

**Cricket Tour**

Thanks must go to Mr Jim Pinnington for organising a very successful tour for our Development Squad over the holidays including trainings at the SCG and victories for our boys over both Knox and Scots. We look forward to seeing the benefits of this tour in the upcoming season for all our players.

**Summer Sports Choices**

By now all boys have selected their Summer Sports and trainings have begun in preparation for the season ahead.

Training locations can be found at [HERE](#)

Coaches can be found at [HERE](#)

Should you have any questions about each sport please do not hesitate to contact our MICs. I hope you enjoy an exciting summer season of sport.

Welcome back for Term 4

What a big term we have ahead for our TAS musicians - with RazzamaTAS Fete, New England Sings! and all the end of term events!

Over the term we will be sending out information to students and parents in the weeks before each event. Keep an eye out weekly for the latest information.

TAS ensembles have commenced again this week

A reminder that our ensembles will be rehearsing as usual this week so we hope to see all students in attendance. It is never too late to join a TAS ensemble so please pop down to the Music Block to chat to a teacher if you are interested in joining.

New England Sings! tickets are now on sale

The New England Sings! concert events will occur on Sunday 2 November. There will be two concerts - at 11am and 2pm.

Please note when you are purchasing tickets that TAS Middle and Senior students who are members of the Choir and Orchestra will be involved in both concerts on the day.

TAS Primary School students will be participating in the 2pm concert only on Sunday 2 November.

Tickets for this event are available for purchase through the TryBooking website www.trybooking.com

As there are only 1100 tickets available for both concerts and over 800 performers - THESE CONCERTS WILL SELL OUT QUICKLY.

New England Sings! rehearsal schedule

Primary Choir

Thursday 23 October: the fourth Primary Choir rehearsal will be held from 1pm - 2.30pm at the Old Teachers’ College in Mossman Street.

Saturday 1 November: the final Primary Choir rehearsal will be held from 11am - 12.30pm at Lazenby Hall, UNE.

Sunday 2 November: the NE Sings! concert will commence at 2pm at Lazenby Hall, UNE.

Secondary Choir and Orchestra

Saturday 1 November: the final Secondary Choir rehearsal will be held from 9.30am - 12pm at the Old Teachers’ College in Mossman Street

Saturday 1 November: the final Orchestra rehearsal will be held from 9.30am - 12pm at PLC multi-purpose centre (TBC)

Saturday 1 November: a combined Secondary Choir and Orchestra rehearsal will be held from 2pm - 4pm at Lazenby Hall, UNE.

Sunday 2 November: Choir and Orchestra will participate in Concert 1 at 11am and at Concert 2 at 2pm at Lazenby Hall, UNE.

We will send more detailed information out about this in coming weeks.

Ms Roobol, Mrs Butcher, Mr Finco and Mrs Broadbent
And the last begins

Welcome back to all members of the Middle School community. I trust the two week break allowed you and your family to do those things you intended to do and that, in so doing, you are relaxed and, more importantly, that your sons are ready for the final term of 2014.

Needless to say perhaps, it’s going to be busy for the boys as it includes a formal examination period, a bivouac and the annual cadet camp at Nymboida Canoe Centre during the second last week of the term. By the time the bivouac is completed, students will be ready for the camp and the activities in which they will be involved will be enjoyable for them.

The boys will be receiving very soon information about their exams and I urge you to become fully involved in the preparation process. From their experience of the mid-year exams the boys will be more aware of expectations and, I’m hoping, better able to manage their time leading up to the examination week. I’ll be speaking to staff about the lead-up process this week in our meeting and will give you more information over the next several weeks.

Please find below important dates for the final term.

**Week 3**
- **Monday 20 October**  
  - Friday 24 October, Middle School Exams

**Week 4**
- **Saturday 1 November**  
  - RazzamaTAS Fete
- **Sunday 2 November**  
  - Year 6 depart for Bivouac

**Week 5**
- **Monday 3 November**  
  - Tuesday 4 November – Bivouac

**Week 6**
- **Thursday 13 November**  
  - Year 7 Vaccinations

**Week 8**
- **Monday 24 November**  
  - Friday 28 November – Activities Week: Year 6 – Mosman Visit, Year 7 & 8 Cadets

**Week 9**
- **Wednesday 3 December**  
  - 1pm Middle School Family Luncheon & Final Assembly
- **Thursday 4 December**  
  - 9:30am Speech Day (Formal Uniform to be worn)
Staffing

We welcome back Mrs Tabitha Dowse who will be joining us this term on Ms Lana Bromwich’s class while she is away on her Long Service Leave. Ms Dowse is a very familiar face in our Junior School and it is great to have her back.

We are also very fortunate to have Mr John Bowers and Mr Callum Kyle as our Gappies this term and we welcome them all to Junior School.

Looking Ahead

Wednesday 8 October
No Assembly

Monday 13 October
HSC Commences

Wednesday 15 October
Year 4 Assembly

Wednesday 22 October
Year 2 Assembly

Focus group 6 – 7pm for Transition – Year 2

Thursday 23 October
New England Sings rehearsal 1-2.30pm at OTC
Focus group 6 – 7pm for Year 3 - 5

Uniform for Term 4

For the first two weeks of this term, children may either wear their summer or winter uniform depending on the weather. From the start of Week 3 (20 October), all children will be asked to wear their summer uniform. Please remember that hats are compulsory for Junior School children, when outside.

Girls uniform – Summer dress, white socks, black shoes, navy ribbons for hair

Boys uniform – Khaki short sleeve shirt and shorts, khaki long socks pulled up, black shoes and tie (tie is optional from T – 2)

We ask for your support with ensuring children’s hair being tidy, shoes polished, socks pulled up. Any holes mended and hats in a tidy state.

Last Day of Term

The last day of Term 4 for the Junior School is Wednesday 3 December finishing at 1pm. The Junior School Speech Day will be held at 5pm on this afternoon 3 December in the Memorial Hall. The Junior School children are NOT required to attend the Middle and Senior School Speech Day, which is held the following day.
