TAS Careers Program

At TAS we encourage our students to take action as they prepare for their future endeavours beyond school life.

We assist students to build a career profile, explore career ideas, consider career options and begin to develop a career plan. Students are also introduced to a range of career ideas, university subject selection information, employment and career prospects.

We offer Careers Advice **NOT** Careers Decisions.

We can assist you to find your directions and focus but ultimately the decision is yours, and as such you have to invest the time, thought and effort to reach a suitable decision or conclusion for you.

**IT’S YOUR LIFE!!!!!!!!!!**
Key concepts

- **Self-awareness** activities in which they begin to reflect on and examine their personal attributes and values in relation to both personal and life/work situations;

- **Career exploration** including research activities and planning which involves investigating, exploring and experiencing the world of work and the variety of pathway options available to them;

- **Career decision making** including exploring how decisions are made in relation to career, identifying; effective decision making strategies and the impact of decision making on their future career related options;

- **Career management skills** includes developing the skills needed to make successful transitions from school to further work, training or employment and to manage learning throughout their life.
Self-awareness

• This is a very difficult concept for teenagers to understand
• Requires insight and introspection.
• Things to consider:
  ★ PERSONAL INTERESTS
  ★ SUBJECT STRENGTHS
  ★ SKILLS AND ABILITIES
  ★ PERSONALITY TRAITS
  ★ VALUES AND ATTITUDES.
  ★ GOALS IN LIFE
• Very difficult to measure or know where your strengths lie.
• Often affected by a number of influences.
  ★ FAMILY
  ★ MEDIA
  ★ PEERS
• Can change often.
PERSONALITY TRAITS.
Dictate your ability to work in groups, independently, 
http://examples.yourdictionary.com/examples-of-attributes.html

VALUES AND ATTITUDES.
Protestant Work Ethic Concept.

GOALS IN LIFE.
What do want to achieve? Where do you think you will be in 5, 10, 15, 20 years? How do you plan to get there? Expectations?
Self awareness cont.

How do we measure this Key Concept?

Getting in

An undergraduate course is usually your first degree at university - so it’s for those leaving secondary school (or high school) or mature age students.

There are two groups of applicants for Macquarie programs:

- **local applicants** who are Australian citizens, Australian permanent residents or New Zealand citizens
- **international applicants** (citizens of a country other than Australia or New Zealand) can seek further information at the Future Students - International website.

If you are a local applicant for undergraduate study at Macquarie University, your admission is based on academic merit.

- Recognises that HSC performance is not the only (or even the best) indicator of tertiary success
- Every scheme is different - in its rules, measures & difficulty
Most Popular Schemes at TAS
HISTORICALLY

- Highest number of applications from TAS
- Based on potential for success
- Specific academic rankings required
- Further information required for Science/Agriculture
- Applications available from Mr Taylor around the Trial HSC Exams

This section of the application form must be completed by the applicant's school principal or other authorised officer. Students should NOT complete this section. Please use a BLACK PEN.

**Is this student eligible to receive an ATAR or OP or equivalent in 2010?**  □ Yes  □ No

If no, you must complete the form overleaf stating why you believe this student will succeed at university study.

In the following table you must rank how suitable you feel this applicant is for university study. When making this assessment please make the rankings based on your knowledge of the individual and the demands of university study, rather than comparing this student to other students at your school.

Educational Access Schemes (EAS)

Most institutions that participate through the Universities Admissions Centre (UAC) have an Educational Access Scheme for applicants who have experienced long-term educational disadvantage due to circumstances beyond their control or choosing, which has seriously affected their educational performance. A long-term educational disadvantage should normally be experienced for a period of at least six months.

Previous EAS applicants

If you have applied for EAS previously and would like your documents retrieved for use in a new application, download and complete the EAS document retrieval form.

Visit the EAS website to read about EAS and download a Booklet and Application form.
