

Year 9 and 10 Electives – 2018

Please find below an outline of the electives now on offer for Semester 2 Years 9 and 10 in 2018.

Early next week students will receive an email with login details to access their web-choice form. They are required to enter their first **three** preferences in each elective line **for Semester 1 only**. Students will have until **Thursday 12 October 2018** to complete their choices. Changes after this date can be requested via an email to Mrs Wark though not all requests will be able to be accommodated. All students will be notified of their allocated classes for 2018 before the end of Term 4.

Preference will be given to students in Year 10. Enrolment in extension courses is limited to students currently in the Extension class or by direct negotiation with the Coordinator of that subject.

			Optimizing Sporting Performance Analysis

Notes

1. Please refer to the subject handbook when choosing subjects. Students are advised to speak with their current teachers and advisor to ensure that they are choosing appropriate electives that complement what they have studied in so far and are not a repeat of what they have previously studied.
2. Students wanting to study French Continuers, Japanese Continuers or Music 2 in Year 11 and 12 should be studying a related subject each semester during years 9 and 10.

If you have further queries regarding electives, please speak to your child's advisor.
