

The Armidale School

HSC Study Camp and RSA Course

RSA Thursday 7 October

Study Camp Friday 8 - Sunday 10 October

TAS will again host a study camp at the end of the Term 3 holidays in preparation for the HSC examinations. It will use local, trained teachers with recent HSC experience and be of three days duration.

Each day will have 5 x 75 minute sessions in English, ESL, Maths, Modern History, PDHPE, Design and Technology, Physics, Biology, EES, Chemistry, Business Studies, Geography, Visual Art and Economics with other subjects being considered. The offering of all subjects is dependent on suitable tutors being available.

Students will be free to use the pool, gym or study area if not attending any session (when open). There will also be a spare classroom available for those students who would like a quiet place to study during the day. Boarding students will be supervised in Dangar House at night with normal rules applying.

All meals will be supplied to TAS boarders and morning tea, lunch and afternoon tea will be provided for all other students in attendance.

The cost for the camp will be \$100 per day.

Boarding is only available to TAS students. Students from other schools will need to make their own arrangements with their respective schools.

In addition to the HSC Study Camp, an RSA Course (Responsible Service of Alcohol) is being conducted on Thursday 7 October, 2010 and will be run at TAS by the Armidale TAFE College. (NB: We need a minimum of 15 students to be able to run the RSA course).

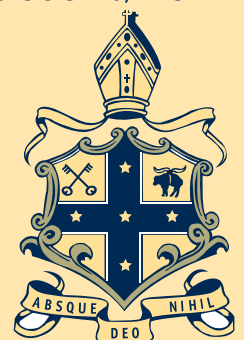

The cost of the RSA course is in addition to the Study Camp and is \$95 for the day.

Bookings for both the Study Camp and the RSA course should be made on line via the TAS website at www.as.edu.au and clicking on Senior School, then HSC Study Camp.

Costs will be invoiced and an account sent to you for payment. For TAS students, we will put the costs through to your school account.

There may be clashes in a session where a student will have to decide which course to attend, but workbooks from the other courses can be made available on request to appropriate tutors.

Refunds will only be made in full for cancellations due to illness.
