

The Armidale School

Year 9 2012 Subject Selection Survey

This is a survey so that timetable 'lines' can be published in later Term 3 for final Year 9 2012 elective choices.

Whilst there are three elective lines in Year 9 2012, for the purpose of this survey we ask that you select one reserve choice and number them 1 to 4 in order of preference.

Some elective classes may operate as a combined class with PLC. Decisions regarding this will be made once this initial survey data is collected. The next form sent out will indicate these arrangements.

Students may choose any, or all, of the extension electives, however criteria must be met if a student is to be offered a place in these classes.
