Welcome from Principal, Rachel Horton

Welcome to the 2022 TAS Swimming Championships. While this looks a little different to a usual year once again, it remains an absolute highlight in our sporting calendar for all of our students.

Considerations around COVID-19 in an indoor venue have meant that the swimming carnival will take a slightly different format and we have minimised parent spectator numbers. It is important for Year 12 parents only to attend their child's last swimming carnival at TAS and therefore they will be the only parent group attending this year.

The focus of the carnival is participation and whilst the first race in every event is seeded, all students are encouraged to enter as many races as possible.

I wish all of the competitors the best of luck and more importantly, I hope all of the students enjoy the carnival.

Rachel Horton

GENERAL INFORMATION

The Swimming Championships will count towards the Hickson Cup (House sport trophy).

Students may compete in any number of events, but these must be within their own age group and division. There are no **false starts**, i.e. the 'one start rule' applies. All results are posted on pin boards in the Sports Centre Foyer-any discrepancies with results please notify recording staff in the **Green Room immediately**.

HOUSE POINTS

For individual events:

Place	1st	2nd	3rd	4th	59th	60th
Points	60	59	58	57	2	1

Plus Championship and Division points will be added to the House points for competitors who come in the first 8 places of an event.

For relays:

Place	1st	2nd	3rd	4th	5th	6th
Points	120	100	80	60	40	20

AGE CHAMPIONSHIP POINTS

The first eight in each event will score age championship points as follows:

Place	1st	2nd	3rd	4th	5th	6th	7th	8th
Points	10	8	6	5	4	3	2	1

Where two or more competitors finish the age championships on equal points the following 'count-back' system will be used: the swimmer with the highest 'division' (i.e. sub-junior, junior or senior) total will be declared the champion. If points are still equal, then the competitor with the most 1st places in all events will be declared the champion. If points are still equal, then the person with the most 2nd places will be declared the winner. This process will continue right down to 8th place. If competitors are still equal, then they will be declared joint age champions.

DIVISION CHAMPIONSHIP POINTS

The first eight in each event will score division championship points as follows:

Place	1st	2nd	3rd	4th	5th	6th	7th	8th
Points	12	8	6	5	4	3	2	1

Where two or more competitors finish the division championships on equal points the following 'count-back' system will be used: the competitor with the most points in division events will be declared the division champion. If points are still equal, then the person with the most 1st places in all events will be declared the winner. If points are still equal, then the person with the most 2nd places in all events will be declared the winner. This process will continue right down to 8th place. If competitors are still equal, then they will be declared joint division champions.

Only age events count towards age championship awards. Age events and division events count towards division championship awards.

The first race in each event should contain the best competitors. In the 100m freestyle events there will be two competitors per lane except for the first race in each age group where there will be one competitor per lane.

The **'Tooth & Nail' trophy** will not count towards the aggregate House points score and will be awarded to the House winning the final relay event (i.e. 6 x 50m, one swimmer from each year group- Year 6 & 7 combined).

Except for water, **no food or drink may be consumed in the pool area.**

Students may not leave The Sports Centre area without permission from their respective Head of House.

Times swum in these Championships will be used to determine which students will be selected in TAS teams to compete at the NCIS carnival.

Age Champions, Division winners and House results will be announced at School assembly.
