Tuition Fees provide for the basic range of academic services available at the School including some standardised testing, including: NAPLAN, PAT, AGAT, MYAT. Life membership of the TAS Old Armidaliens Union is included in the Year 12 fee. Tuition fees do not include extra charges such as uniforms, textbook and software fees, laptop fee, photocopying, book room charges, school visits, sporting trips and activities, individual music tuition, camps or excursion costs, elective subjects, after school tutoring, after school care expenses, sports registrations and insurance fees, medical and pharmacy charges, train or bus travel, day student lunches, or other incidentals. In accepting Enrolment you agree to permit your sons/s/daughter/s to participate in educational excursions and extra-curricular activities, inside/outside the School, and to accept these charges as approved by the Principal. These extras are charged on the school account as incurred. Non-compulsory activities such as Sport Tours and Round Square trips will not be placed on the School Account.

Residential Fees provide for complete house care and accommodation, school medical centre facilities, study, laundry and meal services. Residential fees do not cover expenses such as taxi fares, dry cleaning, medical expenses, haircuts, recreational activities and entertainment.

Laptop Fee

The Laptop fee covers the lease, insurance and information technology support costs. Under this program, each student is provided with a Macbook with appropriate software and the ability to connect to our wireless network. An insurance excess fee of \$250 is charged under the laptop lease Insurance policy for repairs and damage to the machine.

Personal Belongings and Insurance

Parents and Guardians will be responsible for breakages and damage to school property and other personal property caused by their child and understand that the costs for any such breakage or damage will be charged to their school account. Likewise, the student is responsible for the care of his or her belongings and the school will not be liable for any loss or damage to these belongings. Please note that the school does not insure the student's property and it is the responsibility of the Parents or Guardian to take out insurance if they consider cover to be desirable.

The school provides limited personal accident insurance for the student and recommends that where the Parents or Guardians deem it necessary, that extra cover should be taken out. Student Accident Insurance is billed at the commencement of the school year and is approximately \$40. For more information please see the school website.

Outdoor Activity Fee

The School curriculum includes an Outdoor Education program for all students in Years 6 to 11. The School provides Cadet uniforms and equipment however students are required to purchase additional outdoor equipment at their own cost. A full list of requirements is provided to students at the commencement of each year.
